ORDER OF COURT

Entered: August 19, 2025

Defendant-Appellants have filed in this court a "Motion for Stay Pending Appeal" (the "Motion"). Consistent with Federal Rule of Appellate Procedure 8(a), Defendant-Appellants also have filed a motion for stay pending appeal in the district court. That motion remains pending, and the district court has directed Plaintiff-Appellees to file a response by August 21, 2025. The district court indicated that it expected to consider the motion "promptly" after the filing of a response.

So that the district court may have a full opportunity to address the stay motion before it, the Motion is denied. See generally Fed. R. App. P. 8(a). This denial is without prejudice to filing a renewed stay motion after any relevant ruling at the district court.
